2. On the right-hand side of the screen, you can complete the following actions:
  - a. If you are an **Established User**, enter in your **Username** and **Password**, and then click **Sign-In**.
    - i. If you forgot your username or password, click the **Forgot Username?** or **Forgot Password?** Links under the **Sign-In** button to reset them.

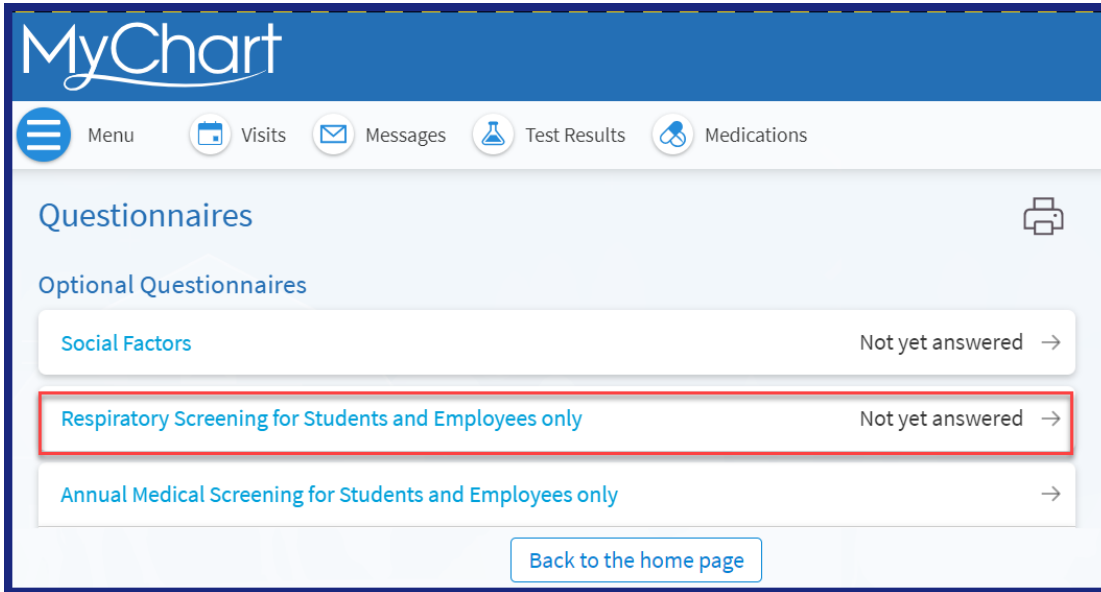

3. After logging into **MyChart** click on the **Menu icon** on the **home screen**.
4. Search **"Questionnaire"** within the search field.

NOTE: Clinical users may be tasked with completing a **Respiratory Screening Questionnaire** in order to be fit tested.

5. Navigate to the Optional Questionnaires section.
6. Select the **Respiratory Screening for Students and Employees**.

7. You will be prompted to answer **height, weight, beard/mustache and what type of respirator that will be used.**

The screenshot shows the 'Respiratory Screening for Students and Employees only' questionnaire form. The form includes a header with the MyChart logo and navigation icons. Below the header, there's a title 'Respiratory Screening for Students and Employees only' and a note: '\* Indicates a required field.' The form contains several questions and input fields: 1. 'How tall are you?' with a text input field containing '5'6"'. 2. 'Weigh (lbs)' with a text input field containing '150'. 3. 'Do you have a beard or moustache?' with radio buttons for 'Yes' and 'No', where 'No' is selected. 4. 'Respirator Type That Will Be Used' with two radio buttons: 'N, R or P Disposable Respirator' (selected) and 'Other Type of Respirator'. 5. 'If A Respirator Was Used Before, What Type?' with an empty text input field.

8. **Continue answering** all the questions until **complete** then **submit your answers**.

The screenshot shows the MyChart interface for a questionnaire. The header is blue with the MyChart logo. The questionnaire consists of several rows, each with a question, a selected answer, and an edit icon. The 'Submit' button at the bottom left is highlighted with a red box.
