EPIC & INFORMATION TECHNOLOGY PROJECTS

Communication Program

Physician Relations manages referring provider demographics for the medical center's various IT systems; maintains the centralized point for accurate, accessible referring physician data; and provides auditing functions.

Automated fax notifications to referring providers

IT Development helped Physician Relations create an automated fax to referring providers when appointments are scheduled or when UAMS is unable to contact the patient to schedule.

EpicCare Link

EpicCare Link enrollment drive October

New functionality - Users will be able to enter referral requests in EpicCare Link **Enrolled: 1,347 physicians and 4,090 total users**

Epic Failed Fax Mailing Process

Epic had no process for mailing patient care failed faxes. IT Development, Creative Services and Mail Processing recreated the program used for the previous RapidFax system.

Failed faxes mailed in 2022: 15,135

HIPAA Fax Error Notification & Auditing

Physician Relations developed a Physician Fax Correction system for the HIPAA office to notify associated areas regarding patient care communication fax errors and to audit fax errors. Last year, there were **15,135 errors out of 674,650 faxes (> 1%)**.

Online Appointment Request

Online appointments discontinued in 2022: Moving users to EpicCare Link.

Referring Physician & Health Care Provider Systems Updates

Provider on the Fly is the process to update Epic referring physician & health care providers demographics. Updates are made from clinical staff requests, bi-monthly state licensees and returned marketing mailings. To make updates, please ask your clinic staff to update **Provider on the Fly**. **Updates in 2021: 4,196**

RURAL HEALTH ASSOCIATION OF ARKANSAS • ARCOM, NYIT & UAMS STUDENT INITIATIVES

Winthrop Rockefeller Institute Rural Health Summits

Rural Health Summit Reports 2018-2020

The 2020 Rural Health Summit represented the culmination of years of work. Invited back were rural health stakeholders who attended the past summits to see the two-year results from working groups. The 2020 Summit was an exciting chance to hear about successes and discuss lessons learned. Attendees looked to the future on final decisions and planning for the Rural Health Association of Arkansas.

Rural Health Association of Arkansas - RHAA Website

The RHAA incorporated in 2020. It is a neutral, coordinating and unifying entity serving as an advocacy voice to improve health and health care access for rural Arkansans. Its goal is not to replace or duplicate existing efforts but to support and complement such organizations. It began as a small informal network of like-minded rural advocates and expanded to a broad-based statewide coalition. The association allows Arkansas rural health stakeholders to coalesce into a united voice promoting a more accessible and equitable system of health care for rural Arkansans. The RHAA coordinates ARCOM, NYIT and UAMS Student Summits and Field trips. Melanie Meyer, M.Ed., is on the Board of Directors.
