**UAMS Sets Special SeniorNet Computer Class
in June for People 50 and Up**

LITTLE ROCK — Little Rock SeniorNet, a nonprofit volunteer group, will teach a special, one-on-one class, *Windows 10 Upgrade Help*, in June at the University of Arkansas for Medical Sciences (UAMS) [Donald W. Reynolds Institute on Aging](#) for people ages 50 and older.

The class, which will help participants install the Windows 10 upgrade, is scheduled for June 20 in Room 2156 at the UAMS Institute on Aging, 629 Jack Stephens Drive in Little Rock. The charge for this personal computer upgrade is \$50 and is estimated to take 2-3 hours to install. Participants are invited to drop off their computers or stay for the duration of the installation.

To take part in the class, the computer must be running Windows 7 or Windows 8.1 and receiving pop-up messages from Microsoft indicating the PC qualifies for the Windows 10 upgrade. The computer must be dropped off at the SeniorNet classroom at UAMS and picked up by 4:30 p.m.

Laptops and desktops are eligible for this upgrade, but SeniorNet does not offer assistance reinstalling desktop PCs at home.

For more information, to register for the class and set up a time, call (501) 603-1262, or email Joan McKinstry at seniornetjoan2@gmail.com.

UAMS is the state's only comprehensive academic health center, with colleges of Medicine, Nursing, Pharmacy, Health Professions and Public Health; a graduate school; a hospital; a northwest Arkansas regional campus; a statewide network of regional centers; and seven institutes: the Winthrop P. Rockefeller Cancer Institute, the Jackson T. Stephens Spine & Neurosciences Institute, the Myeloma Institute, the Harvey & Bernice Jones Eye Institute, the Psychiatric Research Institute, the Donald W. Reynolds

Institute on Aging and the Translational Research Institute. It is the only adult Level 1 trauma center in the state. UAMS has 3,021 students, 789 medical residents and two dental residents. It is the state's largest public employer with more than 10,000 employees, including about 1,000 physicians and other professionals who provide care to patients at UAMS, Arkansas Children's Hospital, the VA Medical Center and UAMS regional centers throughout the state.
