

MyChart provides employees with online access to their medical record.

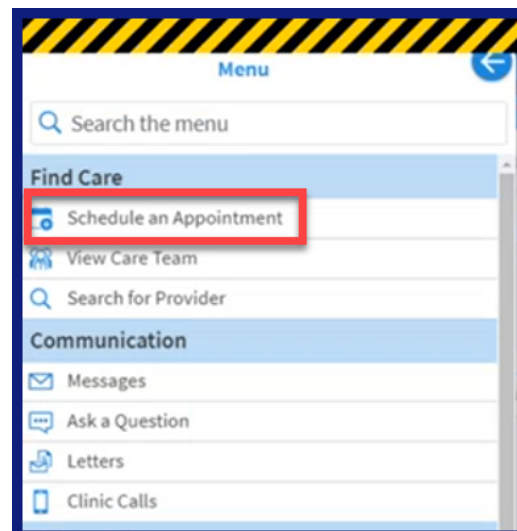

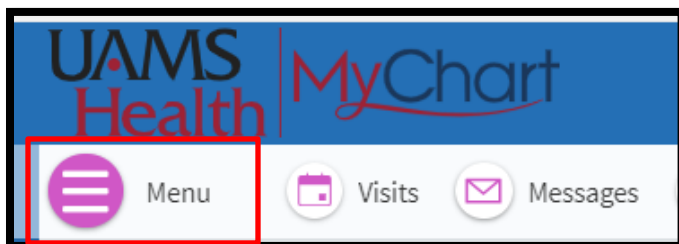

Try It Out

1. Patient will login/sign in to their MyChart account.

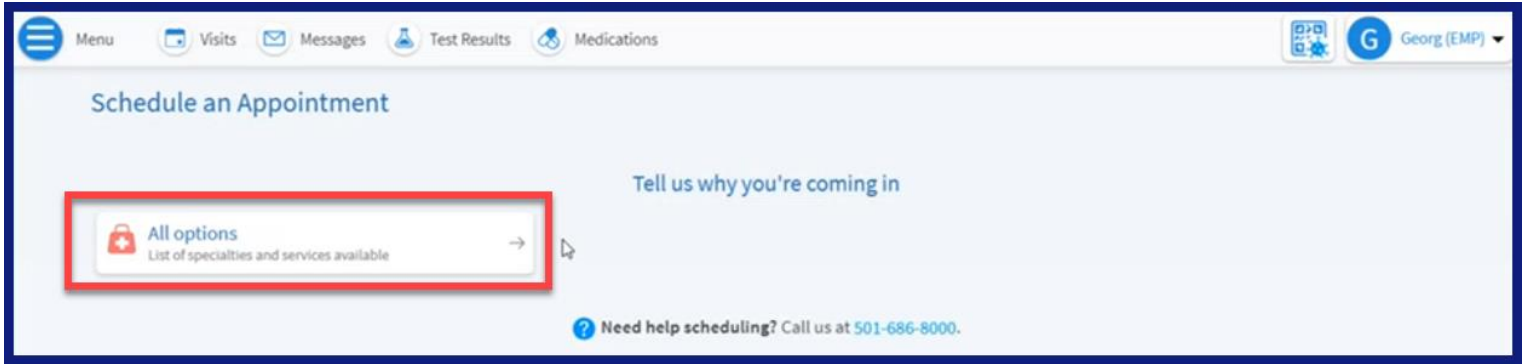

Schedule an appointment

2. Once logged in, click on **Menu** to open the selection options
3. From the list, select **Schedule an Appointment**.

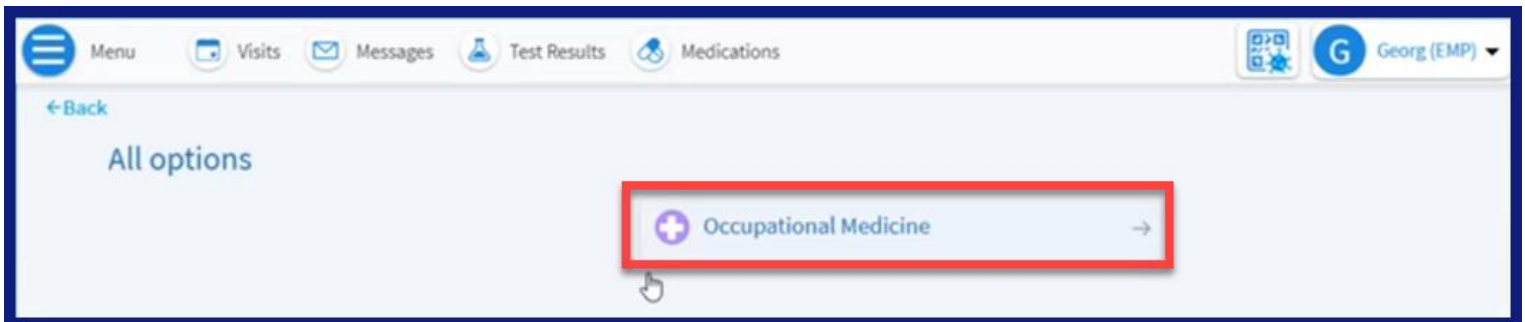

4. Next, click **all Options**.

- If the employee is already a patient at UAMS they will be able to schedule appointments outside of the occupational appointed visits.

5. Click **Occupational Medicine**.

6. Select from the **Occupational Medicine Visit Types** what should be scheduled.
